

**Division of Food Security, Natural Resources,
the Environment and Sustainable Development**

NOTICE OF VACANCY

The Division of Food Security, Natural Resources, the Environment and Sustainable Development, Tobago House of Assembly invites applications from suitably qualified persons to fill the following contract position:

MECHANICAL ENGINEERING OFFICER

Job Summary:

The incumbent is required to play a key role in providing professional engineering services in the design, construction, installation and maintenance of mechanical systems and appliances. An employee in this class reviews plans and specifications of mechanical systems, equipment and appliances for conformance to established standards, codes and regulations. The work frequently involves preparation of plans, specifications and estimates for mechanical installations which may include such items as ventilation and water supply. Somewhat detailed instructions are received with new assignments but the work is usually performed independently and technical decisions are based upon the employee's professional knowledge.

Minimum Experience and Training:

- Training as evidenced by a Bachelor's degree in Mechanical Engineering.
- A minimum of three (3) years in the industry at a supervisory capacity.

For a complete job description, please visit the Tobago House of Assembly's website at tha.gov.tt.

DEADLINE DATE FOR THE SUBMISSION OF APPLICATIONS IS JULY 14, 2024

Interested persons are to submit applications to:

Administrator
Division of Food Security, Natural Resources,
the Environment and Sustainable Development
Milshirv Administrative Complex
Corner Milford and Shirvan Road
Tobago
Attention: Human Resource Officer III

All applications must include:

- 1) A signed cover letter
- 2) Curriculum Vitae
- 3) Copy of Birth Certificate
- 4) Copy of photo identification
- 5) Copies of academic certificates demonstrating proof of possession of required qualifications
- 6) Two (2) references

UNSUITABLE APPLICATIONS WILL NOT BE ACKNOWLEDGED
